3. Tram at the same time as the green car, red car.

Ans.'2

Which answer correctly names all vehicles that are allowed to drive?

1. Cars and motorcycles.
2. All vehicles.
3. Cars and a tram.

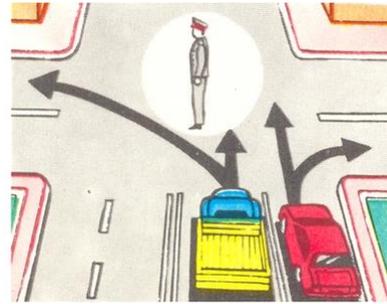

Ans.'1

If the right arm of the traffic constable is extended forward, the movement of non-rail vehicles on the left side is allowed:

1. Straight and to the left.
2. In all directions.

Ans.'2

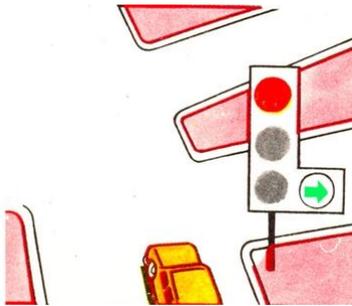

Traffic is prohibited:

1. Blue-yellow car to the left.
2. Blue-yellow car-straight, red car-straight and right.
3. Red car.

Ans.'1

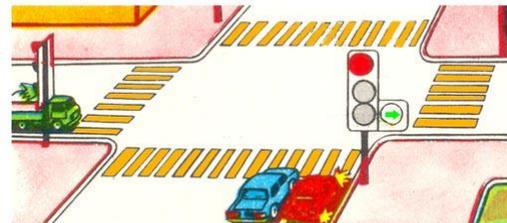

In which direction is traffic allowed?

1. Straight ahead and right into the first passage.
2. Right into the first driveway.
3. Right into the second driveway.
4. Right into the first and second driveway.

Ans.'2

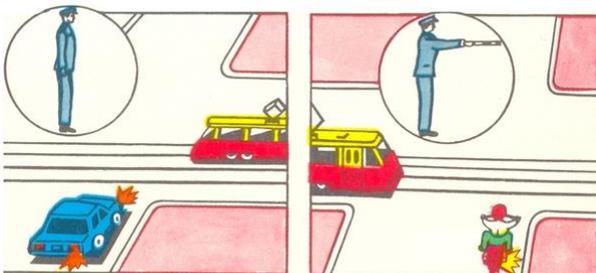

The first to drive through the intersection:

1. Red car.
2. Blue car.
3. Green car

Ans.'3

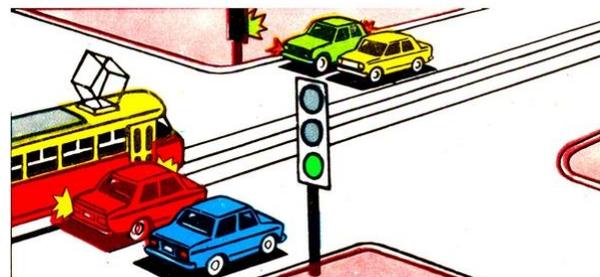

In which picture does the driver turn correctly?

1. In the left picture.
2. In the right picture.
3. In both pictures.

Ans.'1

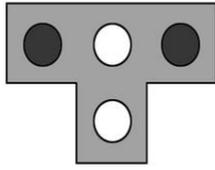

The red car will drive through the intersection:

1. The first.
2. The second.
3. The third.
4. The last.

Ans.'4

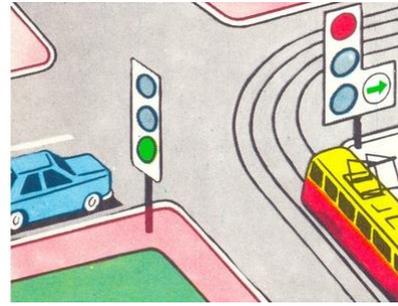

This traffic light is used to regulate the traffic of

1. Trams and trolleybuses.
2. Only trams.
3. The traffic of trams, as well as other public vehicles traveling in separate lanes.

Ans.'3

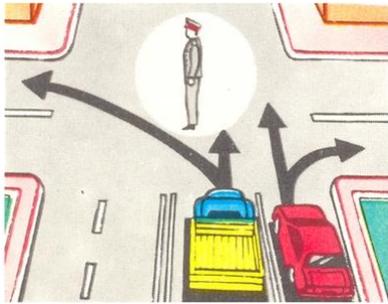

The car will drive through the intersection:

1. The first.
2. The second.

Ans.'1

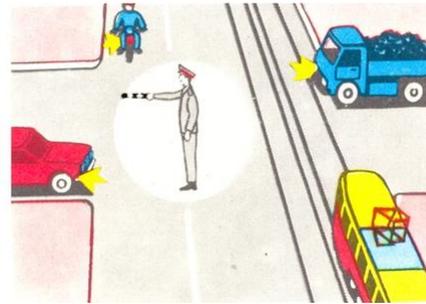

Traffic is permitted:

1. Blue-yellow car-straight, red-right.
2. Red car - straight and to the right, blue-yellow - straight.
3. Both cars go straight only.

Ans.'2

Traffic is permitted:

1. Red car.
2. Motorcycle.
3. Tram and a red car.
4. Tram.
5. Blue car.

Ans.'1

Is it permitted to drive on a marked path when reversing traffic lights are turned off?

1. Permitted.
2. Permitted for the purpose of overtaking.
3. Prohibited
4. Permitted if there is no oncoming vehicle

Ans.'3

Which vehicles have the right to continue driving in this situation?

1. The passenger car - straight ahead, a patrol car - in all directions, a bus - only to the right.
2. Only the patrol car - in all directions.

1. Allowed.
2. Allowed if the bus is traveling at 30 km/h.
3. Allowed if there are no vehicles moving towards you.
4. Prohibited.

Ans.'4

Which vehicle must give way?

1. Bus.
2. Motorcycle and passenger car.

Ans.'1

Who has the right to continue on the designated paths?

1. Truck driver.
2. Drivers of the bus and truck.
3. Drivers of passenger car and bus.
4. Bus driver.

Ans.'4

The vehicles will drive through the intersection in the following order:

1. Tram, car, bus.
2. Passenger car, tram, bus.
3. Car, bus, tram.

Ans.'2

In this situation, does the bus driver have the right to travel straight?

1. Yes
2. No
3. Yes, if he /she is traveling on a defined route.

Ans.'2

In which direction can the driver continue driving?

1. To the right, into the first pass.
2. To the right, in the first and second passage.
3. To the left, in the first passageway.

Ans.'1

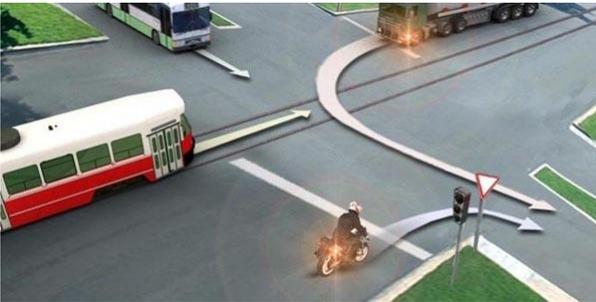

When turning right, the driver must give way:

1. Cyclist only.
2. Pedestrians only.
3. Pedestrians and cyclist only.
4. Can continue driving without stopping.

Ans.'3

Vehicles will drive through the intersection in the following order:

1. Tram, bus, truck, motorcycle.
2. Bus, truck, tram, motorcycle.
3. Bus, tram and motorcycle, truck.

Ans.'3

Which driver has the priority right of driving?

1. Bus driver
2. Passenger car driver

Ans.'2

In this situation when making a turn

1. You have to give way to the tram
2. You will drive through the intersection first

Ans.'2

What should be done in this situation?

1. Enter the intersection and giving way to the passenger car driver drive through the intersection
2. Wait in front of the "Stop Line" until the driver of the passenger car drives through the intersection
3. Drive the first

Ans.'1

Which driver violates the rules of the road when making a turn?

1. Passenger car
2. Motorcycle
3. Both drivers
4. None

Ans.'3

Are you obliged to give way when making a right turn?

1. Obligated
2. Not obliged

Ans.'1

Right turn is allowed in this situation

1. Yes, without obstructing the pedestrians
2. No

Ans.'1

Are you obliged to give way to the tram driver in this situation?

1. Obligated
2. Not obliged

Ans.'2

The driver in case of green signal

1. Ought to give way to the truck driver
2. Has a priority right of driving

Ans.'1

At this intersection the driver

1. Will pass the first
2. Ought to give way to the tram

Ans.'1

The driver crossing the intersection straight

- 1.Can drive the first
- 2.Ought to give way to the tram
- 3.Ought to give way to both drivers

Ans.'2

When making a turn the driver must give way to

- 1.Pedestrian only.
- 2.Cyclist
- 3.Cyclist and pedestrian

Ans.'3

Do you have to give way to the oncoming driver when turning right?

- 1.Yes
- 2.No

Ans.'2

When driving through the intersection straight

- 1.You can drive the first
- 2.You ought to give way to the passenger car driver

Ans.'2

When making a left turn you ought to give way to

- 1.Only to passenger car driver
- 2.Only the pedestrian
- 3.Passenger car driver and pedestrian

Ans.'3

Is right turn allowed In this situation?

- 1.No
- 2.Yes, without obstructing the pedestrian

Ans.'2

When making a left turn

- 1.You ought to give way to the tram driver
- 2.Drive through the intersection first

Ans.'1

Which road signs do not work when their requirements contradict the meaning of the traffic light signals?

- 1.Priority signs
- 2.Prohibition signs
- 3.Dictating signs
- 4.All the listed.

Ans.'1

In this situation the road must be given way by

- 1.Passenger car driver
- 2.Tram driver

Ans.'2

When making a right turn

- 1.You ought to give way to the tram driver
- 2.You ought to stop at the intersection first

Ans.'2

You are about to make a left turn. Who do you have to give way?

- 1.Tram driver only.
- 2.None
- 3.Bus and tram drivers

Ans.'3

When making a left turn

- 1.You will do the manoeuvre without stopping
- 2.After entering the intersection you ought to stop before the second "Stop-line" and wait for the green light on

Ans.'2

Do we have to give way to the truck driver in this situation?

1. Yes
2. No

Ans.'1

To make a left turn in this situation you are required to

1. Enter the intersection and wait for the left turn signal by the traffic constable
2. Stop before "Stop-line" marking and wait for the left turn signal by the traffic constable
3. Enter the intersection and after giving way to the oncoming driver drive through the intersection

Ans.'2

In what case can you drive through the intersection without giving way to another traffic user?

1. In case of driving straight
2. When making a right turn
3. When making a left turn

Ans.'1

When making a right turn you ought to

1. Stop before "Stop-line" for not obstructing the pedestrians
2. Entering the intersection stop for not obstructing the pedestrians
3. Without stopping drive through the intersection

Ans.'2

When making a right turn

1. You ought to give way to the passenger car driver
2. Drive through the intersection first

Ans.'2

After the traffic light signal is on, you can enter the intersection

1. Only in case reversing or making a turn
2. In both cases

Ans.'1

After the green signal is on, you are required to

1. Make sure that all the pedestrians have crossed in the non-crossing section of the crosswalk
2. When the traffic light signal is on, immediately drive on

Ans.'1

Do you have to give way to the bus?

1. Yes
2. No

Ans.'1

When making a reverse in this situation are you obliged to give way to the other driver

1. Obligated
2. Not obliged

Ans.'2

In this situation, in which direction can the driver continue driving?

1. Only straight
2. Straight and right.
3. Straight and left
4. All

Ans.'1

Which driver can continue driving?

1. None
2. Only bus driver
3. Both drivers

Ans.'3

Crossing the line is

1. Allowed
2. Prohibited

Ans.'1

Where to stop at a traffic light signal?

1. Before the traffic lights
2. In front of the crossing section
3. In any area

Ans.'1

Making a left turn is allowed

1. At the reverse zone
2. At the zone shown in the picture

Ans.'2

Driving is allowed

1. Only straight
2. Only right
3. Straight and right

Ans.'3

Driving is allowed

1. Straight and right
2. Only straight
3. Only right

Ans.'3

The arrows on the green signal of the traffic light warn

1. Right turn is prohibited
2. Driving in the right direction is regulated by an additional section

Ans.'2

Is it allowed to overtake the truck?

1. Yes
2. No

Ans.'2

In which direction can the driver continue driving in this situation?

1. Only left
2. Must wait for the permitting signal
3. Left and opposite

Ans.'3

Entering into the reverse traffic zone in this situation is

1. Allowed
2. Allowed only for overtaking
3. Prohibited

Ans.'1

Straight driving from the mentioned zone is

1. Allowed
2. Allowed only after the main green signal is on
3. Prohibited

Ans.'3

Driving is allowed

1. Straight and right
2. Only right
3. In all directions

Ans.'3

In this situation driving is

1. Allowed
2. Prohibited

Ans.'2
